

WE SERVE TODAY FOR A BETTER TOMORROW

DynCorp International is a global government services provider working in support of U.S. national security and foreign policy objectives, delivering support solutions for defense, diplomacy and international development.

The people of DynCorp International (DI) operate major programs in logistics, platform support, contingency operations, and training and mentoring to reinforce security, community stability, and the rule of law.

We provide expertly conceived and professionally executed services to meet the complex demands of today's world. We have broad international expertise and more than 60 years of experience working in remote, dangerous and austere environments. We integrate our many competencies to provide solutions that fit each customer and situation, and bring a culture of compliance, accountability and relentless performance to each program and task.

WE ARE GUIDED AT ALL TIMES BY OUR CORE VALUES

As a service company, our people are our greatest asset. We pride ourselves on the quality and commitment of our personnel, the agility and depth of our program management, and the standards of excellence and of professional and ethical conduct we uphold in all that we do.

We Serve – willingly in all locations and conditions.

We Care – for the safety, security, development and well-being of our employees.

We Empower – our employees to succeed in a culture based on trust, respect, loyalty and commitment.

We Perform – with a relentless commitment to exceeding expectations.

We Do the Right Thing – always, for our customers, employees and those we serve.

AIR OPERATIONS

Our FAA-screened and certified professionals provide global specialty aviation support for efforts to reduce the flow of illicit drugs, strengthen law enforcement and eliminate terrorism.

Services include:

- Aviation Operations
- Support Operations
- Specialty Operations
